

# Bay Street Utility Relocation Project

## Bay Street Sidewalk to Remain Open for ArtWalk

### And Look Ahead for the week of 10-6-2018

***The Bay Street sidewalk will remain open during Friday night's ArtWalk! Bayview Court will remain closed due to the depth of the trench required to install electrical conduits.***

On Saturday (10/6), Bayview Court and the Bay Street sidewalk between The Firestone and Twisted Vine will be closed to pedestrian traffic while crews install underground conduit from Bayview Court to Bay Street.

- Access to The Firestone will be from Hendry Street to their door.
- Access to City Tavern, The Barrel Room and Twisted Vine will be via Dean Street to their doors.
- Directional signs will be provided for the above Bay Street restaurants.

Beginning Monday (10/8), contractors for the City of Fort Myers are scheduled to:

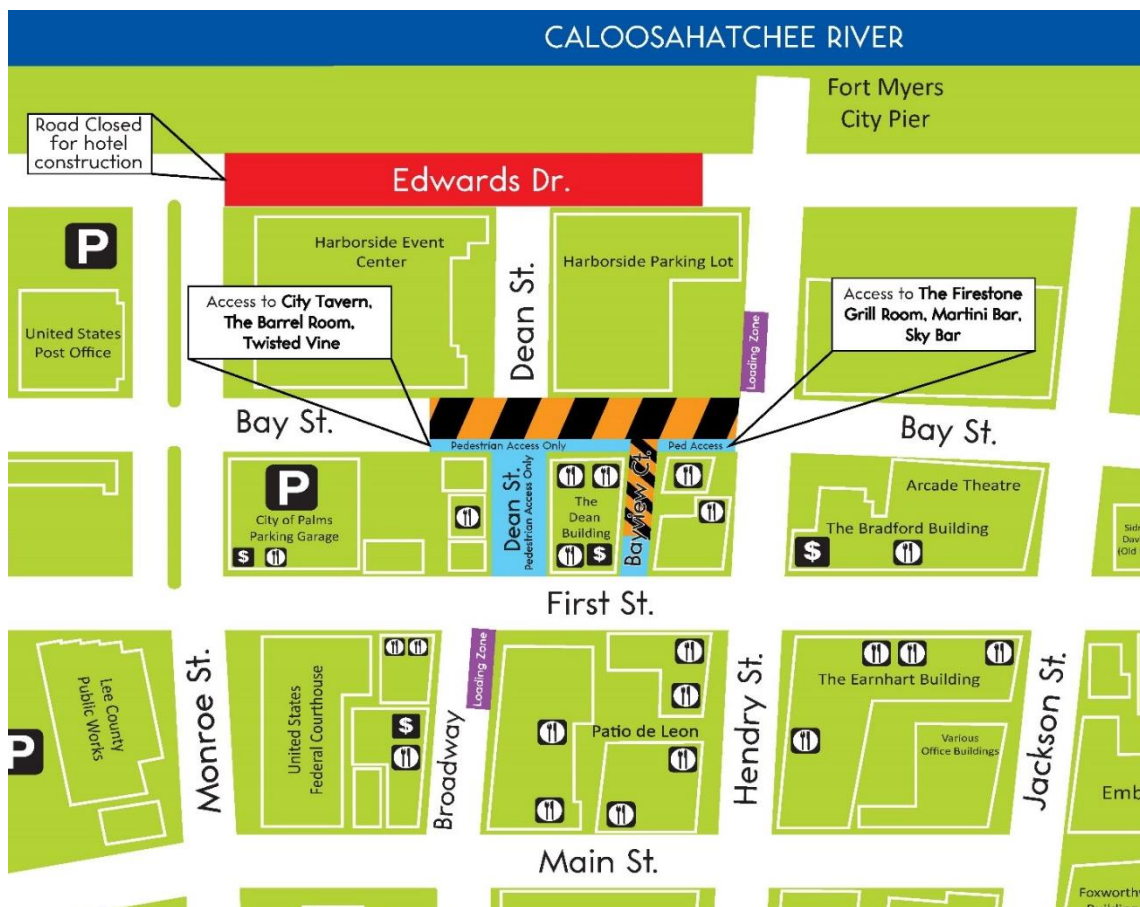

- Reinstall brick pavers in the 3 Pepper Burrito courtyard
- Reinstall brick pavers from the southern disturbed area to the vicinity of 1411 Bayview Court
- Deliveries should be made from the following loading zones (shown in purple):

The Firestone – Hendry Street @ Bay Street

City Tavern, The Barrel Room, Twisted Vine – Broadway & First Street via Dean Street

Capone's – Broadway & First Street

This closure is expected to last until mid-October. This schedule is subject to change due to underground conditions and inclement weather.
