

Bay Street Utility Relocation Project **Underground work scheduled to start Monday,** **August 27, 2018**

Beginning Monday (8/27), contractors for the City of Fort Myers will begin installing underground electrical and communications conduit. Work will start behind the Bay Street fence.

Crews are expected to begin working in Bayview Court sometime after Labor Day. Pedestrian traffic is expected to be maintained through Bayview Court to Bay Street and First Street.

More information will be provided as it becomes available. We will email weekly construction updates and/or more frequently, if necessary.

The above work will not affect your power service at this time.

For project information and updates visit the City's webpage at www.FMstreetscape.com/baystutility or contact the City's Public Information Consultant for this project, Cella Molnar & Associates, Inc. at 239-337-1071 or email to kmolnar@cella.cc.
